Hi Noah,

I think Julie Amaya may have explained this to Blair last week but the short version is our purchase of the equipment got caught in the City's massive end of the year financial close out and now we have to restart the purchasing process. Julie has already begun this work. I'm am so sorry this is taking so long, thank you for your patience!

Hi Rubina and Michelle,

Hope this finds you well. Any update regarding the reinstall-able bike racks that were supposed to be replaced in front of the Last Bookstore on 5th and Spring? 5th Street has now been rack-less since last December...
